International Theological Seminary is a truly unique place in many ways. Located in the San Gabriel Valley in Southern California, the Seminary is a portal to diverse cultures and peoples. When you step into our building, you will see many different faces and races who have come together with one common goal: serving God, serving local communities, and serving the global church.

We are here to serve the Church of Christ that spans every continent in the world. Since its inception 35 years ago, International Theological Seminary has focused on training pastors and leaders for the Majority World. With over 1,000 graduates, the influence of International Theological Seminary can be felt in countries like Tanzania, Nigeria, Thailand, Indonesia, Korea, China, and the United States. A seminary does not need to be big in order to impact the world for the Kingdom of God. The global church needs trained and committed disciples of Christ who are anchored in their spiritual and cultural roots and who adapt to the changing global context with intercultural sensitivities and communication skills. International Theological Seminary is the right training ground for those who seek this type of discipleship.

We also place an emphasis on serving local communities. The global mission is possible only when we bring about transformation in communities where we belong, live, and minister. Need for this transformation is especially great in countries from which our students come from, as many of their communities suffer from poverty, corruption, and environmental damage. Our graduates are naturally inclined to take the Gospel and live it out in their communities holistically. However, the community focus of the Seminary’s mission extends beyond the Majority World--to our own backyard, North America. The greater Los Angeles area is where God has placed International Theological Seminary to be. We, the faculty, staff, students, and board members would like to minister to diverse ethnic communities in the Los Angeles area and other cities. Thus, we extend our invitation to all of you who have a heart for ministry in the Majority World or in communities in the US and Canada.
I hope to see you on campus sometime in the near future, whether it be for a simple visit, to audit a class or to pursue a degree.

Being part of this diverse community even for a short period of time will surely reward you with the amazement for God’s rich gift for His creation, deep appreciation of Christ’s love for all humanity, and witness of the Spirit’s moving and working in every culture and people.

I invite you to this exciting adventure.

Sincerely in Christ,

James S. Lee

VISION AND MISSION

International Theological Seminary (ITS) vision is to see the liberating and redeeming Good News of Jesus Christ being proclaimed all over the world among all nations and all people until Christ’s coming. Our mission is to equip and train future seminary teachers, community leaders, and pastors, who can help transform local communities into vibrant places of worship, mission and justice.

INSTITUTIONAL GOALS

1. ITS exists to respond primarily to the pressing needs and challenges of the churches in the Majority World countries by providing theological education and ministry skills to students who serve these areas; and secondarily, to train leaders for immigrant churches in North America.

2. ITS strives to develop spiritually and biblically sound leadership for students’ home countries and churches in the Majority World.

3. ITS encourages students who come from a wide variety of backgrounds to gain knowledge of other cultures not only to broaden their ministry perspectives but also to prepare themselves for possible partnership in global ministries.

4. Because of its conviction that spiritually and biblically sound leadership must be paired with academic integrity, ITS seeks academic excellence from its students and faculty.

CORE VALUES

The following core values express values that are strongly believed in and consequently, these values drive the ministry at ITS:

A. Evangelical Belief: Though we have a particular doctrinal persuasion, we are inclusive by welcoming people of differing evangelical persuasions to the ITS community.
B. International students: We value students from Africa, Asia and Latin America and who qualify to study at ITS. Our focus is primarily international in scope.

C. Holistic training: We value the holistic development of godly leaders – cognitive, affective, behavior and skills. We value knowing and experiencing God in all areas of life.

D. Local Churches: We value partnering churches at home and abroad to provide students and the necessary resources to train and encourage students.

E. Servant Leadership: We value leadership that combines leading with visionary direction, and serving with a focus on the well-being of the ITS community.

F. Teamwork: We value working together recognizing the contribution of individuals in the ITS community who share common values and goals.

**OUR IDENTITY**

**WE ARE INTERNATIONAL**

The students, staff, faculty, and board members of International Theological Seminary (ITS) are people from all over the world. No single national group predominates at ITS. The multi-ethnic and multi-national settings of ITS allow no one to have minority feelings based on race, sex, or even socio-economic status. This international aspect of ITS was well described by Dr. John H. Kromminga, the late President Emeritus of the seminary, when he once wrote about ITS as follows: “Where all are aliens, none are aliens.” ITS is proud that, from its founding in 1982 until now, it has faithfully maintained its commitment to the very first word in the school name “International.”

ITS boasts its student body as the greatest asset of the school, which is composed by students from diverse countries. Although the students are diverse ethnically, it is important to emphasize that they are bound together by a common purpose. The student body is a genuine epitome of the expression “Unity in Diversity.” Students accept one another in love, peace, and gentleness. “An Intercultural Experience” is not a subject of study at ITS but daily life.
WE ARE REFORMED

ITS welcomes and admits students from different backgrounds representing a broad cross-section of denominational affiliations. The Seminary, however, teaches, follows, and guards the essentials of the Reformed faith, because the ITS community believes that the Reformed theology most accurately represents the teachings of the Bible. While emphasizing the tradition of the Reformed faith, ITS does not forget that the world is changing rapidly; and there are so many diverse needs to be met in the churches today. In order to respond appropriately to the world and churches, ITS endeavors through spiritual and academic programs to combine the teaching of the inerrant Word to all matters pertaining to today’s Christian life.

WE ARE MISSION-ORIENTED

The statement that ITS is a mission-oriented seminary is an entirely correct description of the school. Nevertheless, it is hoped at the same time that no one would misperceive the Seminary as a place to train future missionaries. ITS is a graduate theological school that prepares qualified men and women biblically and culturally for the Lord and His churches worldwide. The curriculum of ITS is in the standard theological mode of Reformed seminaries. That ITS is mission-oriented is rather a philosophical description of the institution and its founding community. The key founding idea of ITS was a mission strategy to communicate the gospel in Majority World countries by providing advanced theological education to students from the countries where such education was not readily available due to lack of adequate theological institutions or official policies. This mission strategy was the driving force in founding the seminary, and it still remains as the same force in the operation of the school. In an effort to achieve its goal more effectively, ITS requires all students from Majority World countries a pledge to return to their countries upon completion of study so that they may serve the Lord there. This requirement affirms that ITS is strongly and uniquely mission-oriented.

WE ARE INDEPENDENT AND MULTI-DENOMINATIONAL

ITS is an independent, multi-denominational and multi-ethnic theological institution, that determines its own educational, admissions, and doctrinal standards, and has its own Board of Trustees. ITS is authorized under Federal law to enroll nonimmigrant alien students.

WE ARE SMALL-SIZED

The following description of ITS may sound apologetic for being small, but its intention is to provide an accurate understanding of the school operation. Some seminaries remain small for various reasons. A more common reason for small seminaries would be the low influx of new
students each year. ITS is clearly one of those small seminaries in the U.S. but not because of the small number of applications it receives. In recent years, more than one hundred applications are annually received by the Admissions office. These applications come from a wide variety of nationalities and several continents, seeking admission into one of the four degree programs (MA, MDiv, ThM, and DMin). In comparison to the average size of ITS student body (about 100), the number of annual applications should be considered astounding.

Although it is an incongruous notion that an international institution remains small, ITS has to keep the size of its student body small to maintain an equilibrium between the quality of its teaching and financial assistance for students. It is truly remarkable that, being almost entirely dependent upon the generosity of donors from its beginning, ITS has produced more than 800 graduates who are currently serving the Lord all over the world as pastors, teachers, missionaries, evangelists, Christian leaders, and in other capacities.

Due to the school policy to maintain a small-sized student body, the Admissions committee is forced to be highly selective in the annual application review. As for admission, three aspects of an applicant are considered important to receive priority in admission. They are spiritual maturity, ministerial experience, and potential to be an effective church leader.

**STATEMENT OF FAITH**

Each member of the board, faculty, and staff of the seminary is required to subscribe to the following statement of faith which serves as the standard of faith and practice of the ITS community:

- We believe that the Bible is God’s infallible written Word, uniquely inspired by the Holy Spirit, written without error, and that it is the supreme and final authority in all matters on which it speaks.

- Instructed by these Holy Scriptures, we believe in the triune God, Creator, Redeemer, and Sanctifier; in the atoning death and victorious resurrection of Jesus Christ and His return to judge the living and the dead; and in forgiveness of sin, and the resurrection of the body, and the life everlasting.

- We believe that Jesus Christ is the head of the Church, which is His body, composed of all those whom He has gathered to himself by his Word and Spirit since the beginning of the time, and that we are members of this Church. Tothis
Church He has given the commission to go into all the world and make disciples of all nations.

- We hold that this teaching is faithfully reflected in the Westminster Confession, Belgic Confession, and Heidelberg Catechism.

**HISTORY OF ITS**

In early 1970s when the number of Korean immigrants increased in Los Angeles area, some Korean church leaders in the area commonly felt an immediate need to establish schools to train men and women for the rapidly sprouting Korean churches among the immigrants. Dr. John Eui-Whan Kim, a church historian, seminary professor, and successful pastor, was one of those church leaders. Unlike his peers, however, who went on their ways to open schools to provide theological education only for Korean-Americans using their mother tongue, Dr. Kim was inspired by the dream of world mission and decided to found a seminary for international students from Majority World countries. His intense desire to launch such a unique theological seminary was motivated by the conviction that trained national church leaders would be far more effective in many tasks to which foreign missionaries were normally assigned, such as evangelism, church growth, church planting, and others. After sharing his desire with the elders of his church and ensuring support from some of them, his dream was effectuated in founding International Theological Seminary in 1982 as a venture of faith. From the beginning of the seminary until today, the core philosophy of the seminary, which is the training of church leaders from Majority World countries, remains unchanged.

**THE PRESIDENTS**

Dr. John E. Kim briefly served as president from 1982 to 1984, when Dr. John H. Kromminga, the former president of Calvin Theological Seminary in Grand Rapids, Michigan, was appointed the second president in 1984. Dr. Kromminga served as president until 1990. Dr. Kim resumed the presidency and served from 1990 to 1995. Due to his acceptance of the invitation to be the president of Chong Shin University in Seoul, Korea, Dr. Joseph Tong was appointed the fourth president of ITS in 1995. Under his leadership from 1995 to 2008, a number of notable advances were made, among which were receiving the full accreditation by the ATA (Asia Theological Association) in 1998 and the full accreditation by the ATS (Association of Theological Schools in the US and Canada) in 2006. After Dr. Tong’s retirement from ITS in 2008, Dr. See Nam Kim was appointed to serve as the fifth president from June 2008-December 2009. Due to Dr. Kim’s
resignation, Elder Calvin Lee, a board member, was appointed by the board as Interim President between January 2010 and May 2010. Since June 2010, Dr. Mel Loucks has been serving as the sixth president of ITS. Dr. James Lee is the current president. He began his term in January 2014.

STUDENT LIFE AND SERVICES

CHAPEL AND PRAYER TIME

Worship and prayer meetings are part of ITS family daily schedule. The chapel times play an important role in molding Christian characters and promoting unity among students, staff and faculty. Student life at ITS is evaluated based on his/her participation in chapel services and small group prayer meetings. Chapels are held on Tuesday and Thursday mornings. Local pastors, faculty visiting alumni are invited to speak at the chapel. Students are given opportunity to lead worship, preach and sing in their mother tongues to share with others the diverse cultural aspects of Christian worship.

SMALL GROUP PRAYER MEETINGS AND RETREAT

Every Wednesday, faculty, staff and the entire student body are formed into small groups to spend time in prayer. Small groups meet to nurture one another with their testimonies and to pray for concerns shared among them.

STUDENT GRIEVANCES

1. ACADEMIC GRIEVANCES.

Students who have an academic complaint are encouraged to contact the instructor directly to resolve the complaint. In the event that this contact does not resolve the academic complaint, the student is encouraged to make an appointment with the Vice-President for Academic Affairs so that the complaint may be officially registered and solutions discussed. Students who have serious grievances should submit his/her complaint in writing to the Vice-President for Academic Affairs. The Administrative Council (President, Vice-President for Academic Affairs, Vice-President for Students Life and Vice-President for Operations and Finance) shall discuss and act on the matter in its next available meeting. A written response will be developed and forwarded to the student within ten days after the meeting. The decision of Administrative Council is final. Issues regarding questions and disputes about grades must be finalized within two weeks of the issuance of the grades.
2. NON-ACADEMIC GRIEVANCES.

a. Among students. Whenever a grievance among students arises, a 3-fold process will be utilized:

- Students are expected to settle the grievance among each other.
- If the grievance among the students is unable to be resolved, the grievance is to be taken and addressed by the members of the Student Executive Council (EXCO). After making their decision, they will address the involved students.
- If the student grievance is still not resolved, the grievance will be taken to the Vice-President for Student Life who will make a final decision to resolve the grievance.

b. With staff and/or faculty.

Whenever the student has a grievance with a staff and/or faculty member, the student should put the grievance in writing and present the written grievance to the Vice-President for Student Life. He/she will subsequently take the letter of grievance to the Administration Council who will respond to the grievance by communicating with both the staff and/or faculty member and the student(s) in an appropriate manner to resolve the grievance.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, by calling telephone number (888) 370-7589 toll-free or by fax (916) 263-1897, or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

HOUSING

ITS provides housing only for single students. The space is limited, so it is a first-come first-serve basis. ITS dormitory rental rates are listed by quarter person base on the number of occupancy. Rates are subject to change. Since all dormitory rooms are first-come, first-serve basis, students are encouraged to look for roommates before applying for a particular dorm.

There are adequate housing facilities within 2 mile- radius from the physical location of the seminary. Prices are ranging from $650 - $1,200 per month.
Renting a room - $650 - $800 per month (including utilities except phone)

One bedroom apartment - $1000 - $1,200 per month

Two bedroom apartment - $1,300 - $1,600 per month

ITS has no responsibility to find or assist a student in finding housing

Married students who come with their family must secure their own housing. Due to immigration requirements, students on F-1 visa may not arrive earlier that one month prior to the beginning of classes, but married students must plan to secure housing one month before the beginning of Fall Quarter. If they have children, they should plan even earlier.

HEALTH INSURANCE

All full-time students are required to have health care coverage. The seminary does not pay for health insurance. The student is responsible in securing health insurance for themselves, and for family members living with them.

EMPLOYMENT

Immigration laws do not allow international students to work while studying in the United States without USCIS authorization. Full-time students who suffer from economic hardship may apply for a work permit from the government after completing one full academic calendar year of study. ITS does not guarantee nor promise jobs for students. (See Immigration Officer for detail).

THE STUDENT BODY

The student body of the seminary is an international community of future church leaders. A large number of countries are usually represented in the student body (e.g., Bangladesh, Brazil, Cambodia, Cameroon, China, Egypt, El Salvador, Ethiopia, Ghana, Hong Kong, India, Indonesia, Japan, Jordan, Kazakhstan, Korea, Laos, Malaysia, Micronesia, Myanmar, Nepal, Nigeria, Palau, Peru, the Philippines, Russia, Rwanda, Singapore, Sudan, Taiwan, Tanzania, Thailand, Uganda, USA, Vietnam, and Zaire). The rich fellowship among the students encourages them to expand the Kingdom of God to the ends of the earth. God’s goodness to ITS is displayed in the ministries
of ITS graduates. ITS graduates in previous years have filled leadership positions upon return to their home countries to serve their churches.

**CAREER DEVELOPMENT**

1) PERSONAL DEVELOPMENT PLAN (PDP)

The Personal Development Plan (PDP) is a tool for assessing student’s ability and skills in integrating theological education and previous ministerial experiences into future ministry. It is designed to guide students to set goals and develop action plans to prepare for their future ministry. A quarterly “Peer Evaluation” under the supervision of the Vice President for Student Life is conducted.

2) STUDENT ADVISING AND MENTORING SERVICES

Every graduate student is assigned under the mentorship of a resident professor at the beginning of the program. For a ThM or DMin student, a mentor guides a student in developing his/her curriculum related to his/her concentration. The mentor also serves as the thesis or dissertation advisor.

3) PRACTICAL TRAINING SERVICES

Under the office of the VP for Student Life, international students with F-1 visa are given the opportunity to be exposed to Christian churches here in the USA by connecting them to local Christian churches and mission ministries. ITS has partnered with nearby Christian Churches so students will have the experience to be involved in weekly church ministries such as worship leading, Bible study leading, choir, children, youth and adult ministries as volunteers.

4) CHAPEL SERVICE AND PRAYER TIME

ITS provides a chapel for students’ personal use for devotions and prayer. The school as a community meets for fellowship and worship every Tuesday and Thursday during the Quarter.
STUDENT GOVERNMENT

Each school year the student body selects a Student Body President and Chaplain. The work of the Student Body President involves service to the student body in various capacities, including representation of the student opinion before the Faculty and Administration, organizing student activities, and coordinating students' involvement. Students are strongly encouraged to participate in student government, especially the various student activities that are offered. The Chaplain is responsible to prepare and organize the monthly chapel services in consultation with the VP for Student Life.

ACADEMIC INFORMATION

GENERAL STANDARDS FOR ADMISSION

ITS is a graduate theological school. All applicants are required to have earned a regular B.A. degree or its equivalent from an accredited institution before applying for admission into the master’s programs of the seminary. Specific prerequisites for admission are found under each degree program in this catalog.

In considering applicants, the seminary assigns a balanced importance to academic ability and commitment to leadership among Majority World churches. Accordingly, every applicant is required to submit the official transcripts, academic and ecclesiastical recommendations, and an application with a statement of commitment. Overseas students must pledge to return to their homelands and churches when they have completed their degree programs.

It should be understood that admission to ITS depends on Christian experience, spiritual growth, call to service and gifts for ministry, as well as the academic record of the applicant. Men and women of God are qualified for Christian ministry by moral character as well as by academic achievement. They are characterized by compassion for individual persons, by sensitivity to the needs of the total community, by a burden that the whole of God’s will be obeyed on earth, by a readiness to accept correction, by a desire for moral growth, and above all, by personal integrity.
ITS admits students of any race, sex, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the seminary. It does not discriminate on the basis of race, sex, color, national, or ethnic origin in the administration of its educational policies, scholarships and grant programs, and other seminary-administered programs.

Furthermore, the TOEFL requirement is waived if the applicant, with the certification from the last school attended and completed the latest degree program in English language with GPA of 3.0 or B and higher. Non-submission of TOEFL will result in a probationary status. A minimum TOEFL score is required to continue the study.

The International Theological Seminary offers its educational programs in three languages known as ITS-English Program, ITS-Chinese Program and ITS-Korean Program. Students are accepted to the later two (2) programs when either Korean or Chinese is their first language. These students come to the United States from their respective country of origin with F-1 visa. The International Theological Seminary does not offer ESL program.

“FULL COURSE STUDY LOAD” FOR F-I VISA STUDENTS

International Theological Seminary is an educational institution that provides advanced theological education to students particularly from the Majority World. As part of the admission process, when all necessary documents are reviewed and admission is granted by the Admission Committee, the Director of Admissions immediately mails the notice of admission and an 1-20 Form is signed by ITS authorized personnel in order to process the F-1 visa. The school will vouch the student visa status for students.

A student with F-1 status is required to maintain “full course study load” in order to maintain his/her status. A student with F-1 status is expected to finish the degree he/she is accepted within the specified length of study period as follows:

1. A thesis or dissertation should be completed within three (3) quarters.
2. A fourth Quarter Extension for the Thesis/Dissertation (excluding summer) is subject to penalty which will be categorized as “extension penalty.”
3. 1-20 Extension is only for six (6) months. Every application has a fee. (See office for scheduled payment. It may increase without notice.)

GRADUATING STUDENTS IMMIGRATION COMPLIANCE

A student with F-1 visa is allowed to carry less than the minimum units in the last quarter of the last year of study. The minimum full-time study load for the four degree programs of ITS is as follows:

ThM 9 units per quarter
DMin 10 units per quarter

All F-1 students are subject to annual academic review. A student who fails to maintain the required cumulative GPA of 2.67 (B-) for MA and MDiv and 3.0 (B) for ThM and DMin is on academic probation for one (1) quarter. A notice of Academic Probation is issued by the Registrar. Failure to raise the GPA above the required level may result in dismissal from the seminary. Upon the recommendation of the Faculty members, a letter of dismissal due to “Academic Incompetency” will be issued to the student signed by the VP for Academic Affairs. “Academic Incompetency” will be noted in student’s 1-20 (SEVIS).

**POLICY ON INCOMPLETE GRADES**

A student, for reasons of documented illness or other hardship, may request an extension of the due date for course work. The professor, with the concurrence of the VP for Academic Affairs, may give an “I” grade for the course. This grade is temporary and the student will be given up to the end of the next quarter to complete the course requirements. If at the end of the agreed
time frame the “I” grade is not removed, it will automatically change to “F”. The grade will appear as such on the permanent record.

When a student receives an “F” grade, the course will have to be repeated if it is needed to fulfill course requirements which include core courses and concentration requirements for a degree program. An “F” grade is counted in computing the current and cumulative GPA until a new grade is given for the course. However, “F” grade will appear as such on the permanent record.

TRANSFER OF CREDIT

Requests for transfer of credit will be reviewed only after a student has applied for admission into a degree program at ITS. The maximum credits that may be transferred from another accredited institution to ITS may be up to 20% of total number of units required for Master of Divinity and Master of Arts in Theological Studies Programs. A maximum of 30% of the total number of credits may be transferrable for Master of Theology and Doctor of Ministry programs at ITS excluding thesis or dissertation.

Courses to be considered for transfer must have been completed successfully at another institution with a grade B or higher towards any ITS accredited degree program.

ADVANCED STANDING

Award of credit for prior experiential learning is quite extraordinary which is not yet practiced in the seminary. However, accrediting agencies such as the Association of Theological Schools in United States and Canada (ATS) allows each institution to exercise discretion on this matter within the general policy as follows:

A student granted advanced standing may be exempted from some courses but not reducing the total number of academic credits required for the degree. The term “advanced standing” is distinct from transfer of credits. Advanced standing refers to student’s competence when no transcripts of graduate credit is presented. If advanced standing is granted with credit on the basis of appropriate evaluation, not more than 20% of the total credits required for a degree.
ITS POLICY ON ADVANCED STANDING

ITS grants “award of credit for prior experiential learning” to an outstanding, exemplary and promising student with more than 15 years of successful church or mission ministry from his/her home country. Proper certification of ministerial experience from one’s home country and recommendation from leadership are required for a student who requests an evaluation for “award of credit for prior experiential learning.” Upon the recommendation of the Faculty, a student may be awarded for “award of credit for prior experiential learning” up to a maximum of 20% of the total number of required units for the degree. Advanced standing is only for the Master of Divinity program.

However, the “award of credit for prior experiential learning” may be granted to a Doctor of Ministry student by administering necessary written and oral examinations by the advanced standing committee. Awarded credits not more than 20% of the total required units excluding dissertation will be recorded in the transcript with a notation Passed (ADS) without counting toward GPA.

PROCEDURE ON ADVANCED STANDING OR AWARD OF CREDIT FOR PRIOR EXPERIENTIAL LEARNING

a) The student should file a request for the “Award of Credit for Prior Experiential Learning” evaluation to the VP for Academic Affairs office. Certification of ministerial experience from one’s home country and recommendation from his/her home country leadership should be filed together with the request form.

b) The VP for Academic Affairs shall appoint the members of the Advanced Standing Committee consisting of a mentor and two other faculty members. This committee appointed for this particular student will also serve as the dissertation committee.

c) The “Advanced Standing Committee” (ASC) will administer the necessary written and oral examinations as the basis for evaluation. Upon passing the examinations, the ASC and the VP for Academic Affairs will decide the number of “award of credit for prior experiential learning” of not more than 20% of the total number of required units for the degree excluding the units for the dissertation of a D.M student.

d) ASC will recommend a student to Faculty members for certification. “Award of credit for prior experiential learning” will be forwarded to the registrar for recording with a notation Passed (ADS) without counting toward the GPA.
e) A student granted the “award of credit for prior experiential learning” shall pay 50% of the tuition fee for the awarded credit. A student has the right appeal for re-evaluation.

TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT ITS

The transferability of credits you earn at ITS is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in Master of Arts in Theological Studies, Master of Divinity, Master of Theology and Doctor of Ministry is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending ITS to determine if your credits or degree will transfer.

AUDITING

Students may apply for admission to credit courses on a non-credit or audit basis. Applicants must meet all applicable admissions requirements. In order to audit a class, the student has to obtain the permission of the VP for Academic Affairs, complete the necessary registration, and pay a non-refundable fee ($100 per course) for each course. The fee is refundable only if the instructor does not approve the class attendance of the audit student. A grade of "AU" will be given to denote an audit. Students must declare their intention to audit a class at the time of registration.

An audit student who wants to take a course for credit is subject to the academic policy of the seminary, including tuition and class assignments. A course may be changed from Audit to Credit no later than the end of the third week of the quarter.

INDEPENDENT STUDY

Taking courses through independent study is strongly discouraged. Therefore, requests for an independent study are reviewed and granted under special circumstances by the VP for Academic Affairs. The MA and MDiv students are allowed one independent study per quarter.
during the last year of study only. ThM and DMin students are allowed to enroll one independent study per quarter to a maximum of two (2) courses. After obtaining an agreement between a professor and student, an independent study course may be conducted by means of assigned reading and reading report (MA and MDiv 1200 pages; ThM and DMin, 2800 pages); writing a paper (MA and MDiv 20 pages; ThM and DMin 35-40 pages quality research paper); and/or an examination. A student taking an Independent study should meet at least four times with the professor for discussion. In the four degree programs, the maximum credit hours which can be taken through independent study are as follows:

- **MA**: 2 courses (6-8 credit hours)
- **MDiv**: 3 courses (9-12 credit hours)
- **ThM**: 2 courses (maximum of 6 credit hours)
- **DMin**: 2 courses (maximum of 10 credit hours)

### ACADEMIC PROBATION

#### GPA AND ACADEMIC PROBATION

A student may be placed on academic probation if the student’s cumulative GPA does not meet the required level [2.67 (B-) for MA and MDiv programs and 3.0 (B) for ThM and DMin programs]. A student placed on academic probation is required to raise his/her GPA in the following quarter above the minimum GPA. Failure to raise GPA above the required level may result in dismissal from the seminary.

### READMISSION

No period of time is specified before students who have been dismissed for poor academic performance are eligible to petition for readmission. The Admissions Committee, however, will readmit a student only when there is clear evidence that the difficulties previously encountered have been overcome and that eventual completion of degree requirements can reasonably be expected.
LEAVE OF ABSENCE

Regular class attendance is expected in every course. Absence from class for a legitimate reason will be excused by the professor if the reason is reported to him/her promptly. When a student’s absence from the campus is due to illness or some other causes, he/she is expected to notify the Department Dean or the VP for Academic Affairs promptly of such absence and its cause. Leave of absence can be granted under extraordinary circumstances. If a student misses two weekly classes (or four bi-weekly) classes with no legitimate reason, he/she won’t be able to receive a passing grade.

COMMENCEMENT

Commencement exercises are held once each academic year at the end of the third quarter. All students who are eligible to receive degrees are expected to participate in the commencement ceremony. If a student is unable to be present at the ceremony, he/she must petition the faculty to receive the degree in absentia, giving the reason for his/her inability to attend the commencement ceremony.

REQUEST FOR TRANSCRIPT AND DIPLOMA

Prospective graduates must process their “clearance” no later than the last day of classes of the last quarter in order to participate in the commencement exercises. Neither a diploma nor a final transcript will be released to a student until his/her financial obligations to the seminary are paid in full. For student who received grant or Mission Partnership Scholarship and “Pledge to Return” to his/her country, diploma and transcript will be released if a graduate with debt has returned to his/her country and had served at least for three years. (See scholarship and application process).
DEGREE PROGRAMS

GENERAL REQUIREMENTS FOR ALL PROGRAMS

The ITS academic programs are designed to equip men and women mainly from Majority World countries, who are committed to the Lord and his Church, and who are eager to learn. The seminary uses a quarter system in which there are three main terms in one academic year (Fall, Winter, and Spring). To encourage international students to complete their programs sooner than the normal study period and return to their home countries, elective courses are offered during the summer (in June and July) and winter (December).

BIBLE KNOWLEDGE TEST

Passing the Bible Knowledge Test is required of all students at ITS before completion of their programs. The purpose of the test is to measure students’ comprehensive knowledge of the Bible. Although the test is a requirement for graduation, all new students are encouraged to pass it as early as possible during their study at ITS. The Bible Knowledge Test is administered twice during each academic year, thus students are encouraged to take the test in their second year. If the examination is failed two times, a student whose last score was in the proximity of passing may request the VP for Academic Affairs to give him/her another attempt.

PERSONAL DEVELOPMENT PLAN

The “Personal Development Plan” is a tool for assessing students’ ability and skills in integrating theological education and previous ministerial experiences into future ministry. It is required for all students. It is designed to guide the students to set goals and develop action plans to prepare for their future ministry. A quarterly evaluation under the supervision of the Vice President for Students Life is conducted. An annual “Personal Development Plan” is also required in the annual review of scholarship.
PERSONAL QUALIFICATIONS

In order to evaluate the personal qualifications of each applicant, the seminary requires:

1. An autobiography by the applicant including an indication of love for and commitment to Christ and His church, a statement of personal faith, a statement of understanding and sense of calling to the Christian ministry, a summary of ministry experience, and an assessment of personal qualifications and gifts for ministry.

2. A recommendation by the church concerning the applicant’s personal qualifications, demonstrated gifts and genuine potential for ministry.

3. Three references using the forms provided in the application package.
THE STUDENT ACHIEVEMENT GOALS OF THE THEOLOGICAL PROGRAMS

The goals of the theological curriculum are as follows: 1) Students are expected to demonstrate good scholarship in the field of Biblical, Theological, Church History and Ministry Studies measured by objective testing; 2) good Christian citizenship measured by adherence to Christian code of good conduct, integrity and commitment to seminary’s policies, standards and activities; 3) and ultimately good ministry measured by the ability of its graduates to adapt Christianity in their own churches and culture. ITS offers theological educational Programs - MA, MDiv, MTh and DMin in three languages – English, Korean and Chinese.

ATTENDANCE POLICY

Class attendance is mandatory. All students are expected to attend classes regularly and punctually. Normally, three absences constitute a failing grade and three tardy is equivalent to one absence, but the professor has the full authority to determine appropriate consequences.

No unexcused absence is allowed. Excused absences are given only for sickness or a family crisis. A student may ask for an excuse prior to the class by explaining the circumstances and providing a plan of how she/he will take full responsibility to make up the work (by recording the lecture and discuss the content with another student).

If illness or other emergencies require you to drop one or more classes, or withdraw from school, notify the seminary office immediately. This is especially important for international students.

GPA AND ACADEMIC PROBATION

A student may be placed on academic probation if the student’s cumulative GPA does not meet the required level [3.0 (B) for MA and MDiv programs and 3.3 (B+) for DMin and ThM programs]. A student placed on academic probation is required to raise her/his GPA in the following quarter above a minimum GPA. Failure to raise GPA above the required level may result in dismissal from the seminary.

No period of time is specified before a student who has been dismissed for poor academic performance is eligible for re-admission. The admissions committee will however, readmit a student only when there is clear evidence that the difficulties previously encountered have been overcome and that eventual completion of degree requirements can reasonably be expected.

PLACEMENT OF GRADUATES

32 Academic Catalog 2018-2019
Majority of students who attend ITS are sent to the seminary by their respective churches or organizations and are required to return to their ministries upon completion of their studies. ITS therefore does not provide placement services for its graduates.

RETENTION OF ACADEMIC RECORDS
As soon as international student arrives in the USA, Admission Director forwards all documents to Registrar. All documents submitted during the admission process are ITS property. All academic documents will stay in student’s file as academic permanent record. To ensure safety of all records, ITS maintains another copy of all students record outside the campus in a bank safety deposit.

Original transcripts shall be released by the school on request by the student through the office of the Registrar.
The fee for an original transcript is $20.00

MASTER OF DIVINITY PROGRAM

DESCRIPTION:

The Master of Divinity (MDiv) is a three-year program designed primarily for persons desiring to prepare themselves for the ordained ministry. The graduates are expected to serve as pastors in a church setting, functioning as leaders in the Christian community.

This program seeks to integrate a classical Reformed theological curriculum with variety of ministerial skills. The curriculum of the MDiv program aims at competency in biblical languages, biblical exegesis, historical and theological perspectives as core courses and the choice of concentration on a specific ministry such as Pastoral Ministry, Missions and Evangelism and Educational Ministry. The curriculum attempts to integrate theological education with the student’s own cultural context.

ACADEMIC QUALIFICATIONS FOR ADMISSION

A student seeking admission to the MDiv program must do so in obedient response to God’s call to ministry through His Word and Spirit. Christ gives gifts to His Church, and the New Testament teaches that all believers are so endowed (1 Peter 4:10). Nevertheless, among believers there are found some with gifts which single them out for ordination as ministers of the Word. An applicant’s call, therefore, must include a personal inner conviction created in the heart, mind, and conscience by God’s Spirit, and also a communal endorsement through a body of believers who can testify to the gifts for ministry possessed by an applicant. The central task of International Theological Seminary is the nurturing of those gifts for ministry.

In order to apply to the MDiv program, applicants must have earned a regular bachelor’s degree (BA) or its equivalent from an accredited institution with GPA of 2.5 and higher. Applicants who have graduated from an unaccredited college will be considered on a case-to-case basis. Students who do not meet the admission standard such as GPA and at least a two (2) year minimum church ministry involvement may be accepted under probationary status.

The formula for refund calculation is as follows:
If a student paid $920 tuition and withdraws after completing 10 hours of a 40-hour course, his refund would be:
$920 ÷ 40 hours = $23.00 (hourly rate for instruction)
$23.00 x 10 hours = $230.00 Partial tuition owed
Tuition paid: $920 minus Partial tuition owed: $230 = Refund Amount: $690.00

STUDENT TUITION RECOVERY FUND (STRF)

(a) “The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) “It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.

2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.

3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

It is important that enrollees keep a copy of any enrollment agreement, contract, or application to document enrollment, tuition receipts or canceled checks to document the total amount of tuition paid and records which will show the percentage of the course which has been completed. Such records substantiate a claim for reimbursement from STRF, which, to be considered, must be filed within one year following school closure.

For further information or instruction, contact, Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400 Sacramento, CA 95833 or P.O. Box 980818, West Sacramento, CA 95798-0818 P (916) 431-6959; F (916)263-1897.
